

Surviving the COVID-19 Crisis

Resumes/Cover Letters

[This site](#) has very useful, up-to-date information for writing a good resume.

Most online resume builders cost money. For the library patron wanting to obtain a free resume, consider using the resume building templates available in software programs such as Microsoft Word.

Examples of good cover letters (required for some job applications) can be found online. For a free cover letter, consider using the templates in a word processing program such as Microsoft Word.

The library has many books on writing resumes. Search our online catalog at tgclibrary.com or give us a call.
