

Tom Green County Library Video Game Collection Circulation Policy

We're thrilled to offer an exciting collection of video games to challenge your critical thinking skills, dexterity, and patience. To ensure fair access and enjoyment for all patrons, please take note of our circulation policy:

Eligibility

Adults (18 years and older) with a valid Tom Green County Library card in good standing are eligible to borrow video games from the collection.

Checkout Limits and Duration

Patrons may borrow two video games at a time. The standard checkout period for video games is two weeks. One renewal is allowed per video game, provided there are no holds or pending requests for that specific title. Renewals can be done in person at any library branch or through our online catalog.

Location

The video game collection is housed in the STEAM Central Makerspace and is available during their open hours. Patrons may return games at any library location. Please ensure the game is returned within the specified due date to avoid replacement fees.

Fees: Overdue, Damaged, or Lost Items

TGCL does not charge late fees; however, we do charge for damaged or missing items and encourage patrons to return items promptly to avoid any inconvenience. Patrons are responsible for the care and safekeeping of borrowed video games; fees for damaged or lost items will be assessed based on the replacement cost of the game.

Current Inventory
